Re: Annual Allen E. Broussard Memorial Mardi Gras and Gumbo Cook-Off Gala

Dear Supporter:

The Allen E. Broussard Scholarship Foundation was established in November 1996 after the death of Justice Broussard to provide scholarships for deserving Bay Area minority law students who demonstrate the commitment to education and community service exemplified by Justice Broussard. Since its inception, the Foundation has awarded a total of \$80,000 in scholarships to well qualified and motivated students in their pursuit of, what for many, is the first graduate degree in their families.

As a stalwart supporter of the Foundation we wanted to take a moment to thank you for your continuing support and to update you on our plans for the coming year. While we still intend to award scholarships this year, we are in the process of developing a partnership with the American Bar Association and other local scholarship/internship programs dedicated to assisting minority law students. Although we have decided to forego our annual gala while we develop these partnerships, take heart, we understand the breathless and mouth watering anticipation with which all of our supporters (a.k.a. the usual suspects) look forward to the food, the fun, and the entertainment, and we will be back next year. So mark your calendars now and plan to attend the 8th annual Allen E. Broussard Memorial Mardi Gras and Gumbo Cook-Off on Friday, February 4, 2005 at the Jack London Aquatic Center at Estuary Park. For more information, please visit our website or send an email to the above address.

Once again, thank you for the support you have given us over the years, and thank you in anticipation of your continued support.

"Laissez les bon temps rolez!"

Sincerely,

Allen E. Broussard Scholarship Foundation,
Board of Directors
